Student Development

The Student Development Office offers educational and social experiences that enhance the quality of student life and learning. A few of the programs offered include the Cultural Series and Adventure Education program, which both provide meaningful out of the classroom learning experiences. The Cultural Series introduces students to the world of art and performance by providing several opportunities each semester to experience visual art, music, theater and dance both locally and in larger Metropolitan areas such as New York City, Philadelphia and Washington DC.

The Student Development Office, in collaboration with student organizations, also coordinates a weekend entertainment series, which gives students a variety of entertainment options to choose from each weekend. A few of the weekly attractions include free bowling, discounted movie passes and free admittance to local performances at the Little Theater of Wilkes-Barre. In addition, Student Development also coordinates periodic day trips to professional sporting events and theme parks.

The Adventure Education program is an alternative learning experience designed to challenge students to engage in physically demanding activities that emphasize wellness and provide practical leadership tools and lessons on teamwork. Students will have the opportunity to sign up for adventures such as hiking, rock climbing, mountain biking, and cross-country trips to locations such as the Grand Canyons National Park.
