FAQ – ANDROID – HOW DO I CONNECT TO STUDENT.WILKES.EDU WIRELESS?

Purpose

• This guide details the steps to connect to the Student.Wilkes.edu wireless network using an Android device

Requirements

- Active Wilkes account
- Android device

Notes

- If your device is currently connected to a different Wilkes wireless network, you may first need to forget the connection. To forget a connection, keep your finger pressed on the connection you would like to forget, and when prompted, choose Forget Network
- When you change your Wilkes account password, you will need to update your device with your new password to avoid locking out your account

FAQ – ANDROID – HOW DO I CONNECT TO STUDENT.WILKES.EDU WIRELESS?
