Wilkes University

FAQ – iOS – HOW DO I CONNECT TO STUDENT.WILKES.EDU WIRELESS?

Purpose

• This guide details the steps to connect to the Student.Wilkes.edu wireless using an iPhone or iPad

Requirements

- Active Wilkes Account
- Device running iOS (iPhone or iPad)

Notes

- If your device is currently connected to the Wilkes.edu, Guest.Wilkes.edu or Student.Wilkes.edu network, you may first need to forget the connection
- When you change your Wilkes account password, you will need to update your device with your new password to avoid locking out your account

Process

1. From the Home Screen, select the Settings icon

Settings

Wilkes University

FAQ – iOS – HOW DO I CONNECT TO STUDENT.WILKES.EDU WIRELESS?

- 2. On the left, select Wi-Fi
- 3. Under CHOOSE A NETWORK... select Student.Wilkes.edu
