FAQ – How do I connect to Student.Wilkes.edu using Windows 10?				

Purpose

This guide will detail the steps for connecting to the Student.Wilkes.edu Wi-Fi using Windows 10.

Requirements

1. Active Wilkes account.
2. Computer with Windows 10.

Notes

If you have changed your password since the last time you connected to the Student.Wilkes.edu wireless, then you may need to remove the old profile first – steps for this are in the last section of this FAQ.

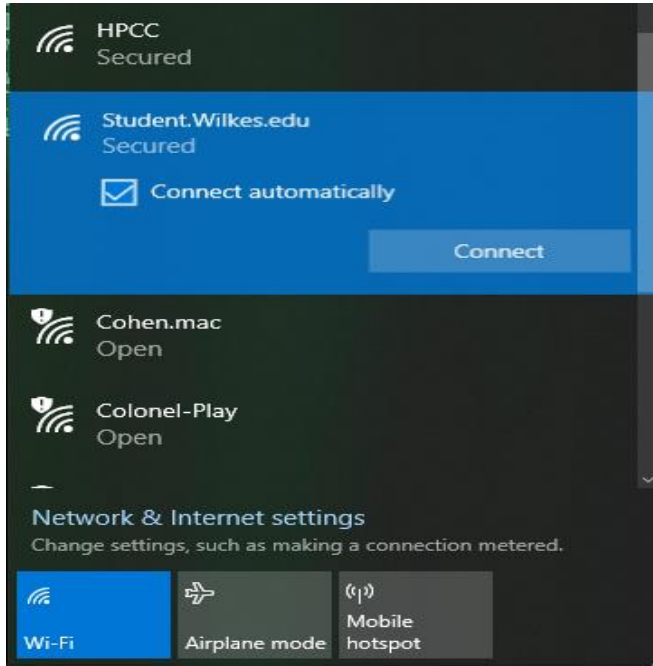

Process

1. Locate and click on the **Wireless** icon in the bottom right of the screen (see below):

2. Select **Student.Wilkes.edu** and click **Connect**.
