## Wilkes University

### FAQ – iOS – HOW DO I CONNECT TO WILKES.EDU WIRELESS?

#### Purpose

• This guide details the steps to connect to the Wilkes.edu wireless using an iPhone or iPad

#### Requirements

- Active Wilkes Account
- Device running iOS (iPhone or iPad)

#### Notes

- If your device is currently connected to the Wilkes.edu, Guest.Wilkes.edu or Student.Wilkes.edu network, you may first need to forget the connection
- When you change your Wilkes account password, you will need to update your device with your new password to avoid locking out your account

#### Process

1. From the **Home** Screen, select the **Settings** icon

Settings
