To access the MyWilkes portal go to portal.wilkes.edu and use your email user name (firstname.lastname) and password to log in. The default password is upper case initial of your last name, lower case initial of your first name, last 6 digits of your WIN. ex: Joe Doe, WIN(900123456), password = Dj123456 NOTE: If you have previously changed your password, you must use your changed password. Click on the 'Student Services' tab to access the registration links and other important services. If you have any problems, please call the Help Desk @ 1-866-264-1462.

Registration

Registration will open early morning at 12:01am on Thursday, February 9th. Online registration is preferred and available through the MyWilkes portal. Registrations are on a first-come, first-served basis. Be sure to register for the correct CRN#, course & section from this schedule. Wilkes will not be responsible for an incorrect course enrollment. Do NOT try to register online from school computers guarded by firewalls as our registration site may be blocked. Telephone registrations are not accepted..

*Note: If it has been longer than 1 year since your last course, you will NOT be able to register online without first being readmitted in our system. Go to https://wilkes.edu/academics/graduate-programs/masters-programs/graduate-education/graduate-readmittance-form.aspx Do not submit a new application. It will take approximately 24-48 hours for the readmit to be processed and for online registration to be available to you. You must know your email user name & password to register online.

Courses with less than 8 enrolled one week prior to the scheduled start may be cancelled, so register early if you intend to take a class. Registration for online courses closes 1 week before the start date to allow the necessary set-up time for student access to the course.
