Registration

Registration will open early morning at 12:01am on Thursday, March 15th. Online registration is preferred and available through the MyWilkes portal. If you register online, please do not mail the registration form. Registrations are on a first-come, first-served basis. Be sure to register for the correct CRN#, course & section from this schedule. Wilkes will not be responsible for an incorrect course enrollment. Do NOT try to register online from school computers guarded by firewalls. You may have difficulty. Try from a home computer. Telephone registrations are not accepted. Permission only registrations must be mailed or faxed. If we are unable to register you, we will contact you.

*Note: If it has been longer than 1 year since your last course, you will NOT be able to register online without first being readmitted in our system. Go to www.wilkes.edu/GradEd, click on the Readmittance form link, answer the questions, and hit submit to be readmitted. Do not submit a new application. It will take approximately 24-48 hours for the readmit to be processed and for online registration to be available to you. You must know your email user name & password to register online. You could mail your registration form, if that would be quicker.

Courses with less than 5 enrolled one week prior to the scheduled start may be cancelled, so register early if you intend to take a class. Registration for online courses closes 1 week before the start date to allow the necessary set-up time for student access to the course.
